Education

Graduated from Syracuse University, S.I. Newhouse School of Public Communications in May 1996, with a bachelor's degree in journalism and a minor in public policy.

Experience

The Indianapolis Star, Indianapolis, Ind., 252,041 daily, 369,101 Sunday circulation; with three editions
Sports design director, September 2002 – present

- Involved with the planning process, art direction, design and production of the daily sports section.
- Coordinate all sports-related special sections, including the Indianapolis 500, various NCAA tournament sections, the Colts Weekend sections and Super Bowl XIV coverage.
- Work with various departments to ensure proper work flow and scheduling.
- Responsible for ensuring adherence to our tight deadline structure.
- Work with editors to develop story ideas and visual concepts for daily presentations and special sections.

The Times of Northwest Indiana, Munster, Ind., 96,000 circulation with nine editions
Sports designer, March 1999 – September 2002

Involved with the planning process and design of the main sports section, as well as the weekly Prep Zone section and numerous special sections.

Albuquerque Journal, Albuquerque, N.M., 120,000 circulation with four editions
Page designer, August 1996 – February 1999

Duties included all three zoned editions, the business tabloid and metro sections as well as A1. Primary sports designer for six months.

The Sun, Bremerton, Wash., 40,000 circulation (Summer 1996 internship)

Design desk internship – Designed and copy-edited news, sports and feature sections. Also designed pages for 1996 Olympic coverage.

The Baltimore Sun, Baltimore, Md., 227,700 circulation with five editions (Summer 1995 internship)
Design desk internship – Designed inside metro zone sections, business and opinion sections.

Lexington Herald-Leader, Lexington, Ky., 123,400 circulation with two editions (Summer 1994 internship)
Design desk internship – Designed the metro section and business tabloid sections.

The Daily Orange, Syracuse University, Syracuse, N.Y., Independent college daily (August 1992 – May 1996)
Held numerous positions from design editor to board member of The Daily Orange Corp.

Computer Skills

Well-versed in Macintosh OS X, Microsoft Windows and Microsoft Office systems, as well as all Adobe CS products and QuarkXPress. Also very familiar with Nikon DSLRs and Canon miniDV video cameras.

In-depth knowledge of large-format printers and four-color printing processes.

Adept at trouble-shooting various problems with computer systems including Microsoft Office, Adobe products, IBM Lotus Notes, Cisco VPN and The Indianapolis Star's very own front-end CCI system.

Awards

Winner of Society of Newspaper Design Award of Excellence 2006.

Multiple winner of Hoosier State Press Association honors 2004-08.

Multiple winner of the Associated Press Sports Editors honors 2002-08.
